THE PATRONESS OF OUR SCHOOL

Our Lady of Lourdes appeared to little Bernadette, a sick and poor child, 18 times in France, in 1858. She carried out the message of consolation and love of Mother Mary to the whole world.

Here at Lourdes Central School students come to seek and quench their thirst for value based education and to gain knowledge, wisdom and peace.

Our Patron is the embodiment of simplicity, kindness, humility and gentleness and all the Lourdites grow up with these virtues and become torchbearers of the society.

FOUNDER

Lourdes Central School (LCS) is an English Medium Co-Educational School founded by Rev. Bernard L. D'Souza. His vision was to establish a school with a difference and provide high quality education with a nationally standardized syllabus to fulfill a genuine need of the children in the society. The academic challenge would necessarily be combined with focus on the values of discipline, diligence and integrity. Thus, leading to the emergence of future leaders and administrators from sound intellectual and moral portals.

Late Rev. Fr Bernard L D'souza
(1999-2003)

ABOUT THE SCHOOL

Lourdes Central School, Bejai, Mangaluru is under the umbrella of the Catholic Board of Education, of the Diocese of Mangaluru, a religious and linguistic minority institution which is a registered body. It is situated in about two acres of land on the serene campus of Bejai Church, Mangalore.

Lourdes Central School was founded in 1999 by Late Rev. Fr Bernard L. D'Souza. The school has a reputation for its caring commitment to scholastic and non-scholastic achievement. Our CBSE results are 100% in both Class X and XII. Children are happy, work hard and succeed in their endeavours. We are however, not complacent. We feel children should do their best.

Experienced and well qualified teachers, good and improving facilities, a supportive parent-teacher executive committee, the management committee are vital factors to the quality of education we offer to our students.

We aim to ensure that our students are well formed individuals, who are critical thinkers and able to make decisions about their further education and subsequent choices.

THE SCHOOL EMBLEM

The school emblem features an open book, a candle and a dove. The open book means we are receptive to new ideas. The candle reminds us that we want to shun darkness and spread light and the dove indicates peace. With these characters in our emblem we aim to attain 'PEACE THROUGH KNOWLEDGE'. Through the knowledge we bestow in this institution let us spread light to the world and bring forth peace.

MISSION

“Gearing up our education apostolate through moral and spiritual values and making it life enhancing specially for the poor and marginalized”

In today's world of conflicts and turmoil, where there is no semblance of peace in existence, LCS brings a ray of hope in spreading Peace Through Knowledge by moulding students right from the beginning and inculcating in them the habit of peaceful co-existence to overcome the hurdles of caste, creed and religion.

Objectives of the School

- ✦ To impart spiritual, moral, academic and aesthetic values through formal and non-formal courses with emphasis on courtesy, honesty, integrity and loyalty.
- ✦ To create a spirit of fellowship, equality and mutual enrichment, thus helping our pupils to break down all the barriers that divide us.
- ✦ To help our students to be catalysts of social change bringing about justice, liberation and peace in society.
- ✦ To prepare our students for Civil Service examinations and motivate them to be able administrators of our country.
- ✦ To develop a spirit of patriotism and responsible leadership for the service of our country.

Admissions to Kindergarten Classes commences in January. Children aged 3½ years only are eligible for admission for Kindergarten 1 (KG 1). Parents should note that the date of birth entered in the school records will remain the same throughout the academic career of the student.

At the time of admission to class 1, the child should be 5½ years as on 31st May of that year. Original Date of Birth Certificate has to be submitted compulsorily along with the application duly signed by parent or guardian for admission to any class. Regular attendance in classes is a condition for promotion. **A student will not be promoted to the next higher class if her/his attendance falls below 75%. Parents who seek admission or transfer admission are requested to contact the Principal directly and are advised not to come through any third person.** This caution is necessitated to prevent anyone from taking advantage of the situation by collecting money purportedly for the school. Parents are warned against such possibilities and are requested to inform the Principal if there is any such attempt from anywhere. It is also made clear that **any attempt to influence the decision of the School authorities in the matter of admission will result in the disqualification of the candidate concerned. Admission to LCS is a privilege and not a right.** The management reserves the right to deny admission to any one without giving any reason.

RE-ADMISSION - If the name of a student is struck off roll due to any reason, her/his re-admission entirely depends on the discretion of the Principal and availability of seat if re-admission is allowed.

TRANSFER ADMISSION - CLASS XI - A candidate who has completed the All India Secondary School Examination, conducted by the CBSE, New Delhi or its equivalent like ICSE, SSLC is eligible for admission, provided he/she has a consistent good academic record. There will be no entrance test, as admission is based on the candidates Class X performance. Transfer certificates counter signed by the education authorities should be submitted at the time of admission.

CLASS X and XII - If there are vacancies, admissions will be made on the basis of an Entrance Test. All other conditions are as shown under the caption ADMISSION.

EVALUATION AND PROMOTION

Regular Tests, monthly tests and terminal examinations are held each year and promotion is based on total performance at these tests and exams and regular attendance.

STUDY SUPPORT - In order to support learning, beyond the school day, we run study support sessions. Teachers freely give their time to help students with difficult concepts. LCS is interested in providing additional facilities for slow learners to acquire the needed skills. However, the school strongly discourages the practice of excessive home work, rote-learning, special tuition etc.
